

NN Art Award nominees 2021

The summer edition of Art Rotterdam 2021 marks a remarkable lustrum: the five year anniversary of the NN Art Award. NN Group has been a partner of Art Rotterdam since 2017 and has since awarded a yearly incentive prize to extraordinary contemporary art talent with an innovative and authentic perspective and visual language. An annually changing jury of art professionals selects four promising artists, from which a winner is ultimately chosen and announced on Wednesday June 30th.

The winner will receive the incentive prize of €10,000. NN Group will also purchase works from some of the nominees for the NN Art Collection.

This year's nominees are:

Priscila Fernandes

Division of Labour, London
Due to the current Covid situation in the UK, Division of Labour is unfortunately no longer participating in Art Rotterdam this edition. The work of their NN Art Award nominee Priscila Fernandes can therefore only be seen at the NN Art Award stand.

Lilian Kreutzberger

CINNNAMON, Rotterdam

Claudia Martinez Garay

GRIMM, Amsterdam

Erik Mattijssen

Cokkie Snoei, Rotterdam

Public Choice

Visitors can also vote for their favorite artist for the first time. The winner of the NN Art Award Public Choice will receive a cash prize of €5,000. To Sunday 4 July, 10.00 hrs, visitors can cast their vote online via the Nationale-Nederlanden website: NN.nl/artaward or during the fair at the NN Art Award booth. The winner of the Public Choice Award will be announced online in the afternoon of Sunday 4 July at 15.00 hrs.

The work of the four nominees can be seen at the NN Art Award booth at the fair (booth 27).
